

UP - Porky Magazine's YOOPER DOLLS

Meet our Yooper Twins! They have a mind of their own!

We suggest that you print them onto a cardstock; a thicker paper, which will allow you to attach the outfits to the dolls much more easily. It will also help to make the dolls last longer during play.

DESIGN YOUR OWN!

Yoopers love
to be themselves,
so you can design ALL of
your own clothes right here!
HAVE FUN!!!
